

# Party with Posh

Planning a fancy event? Then make it a hip destination! Posh Boutique is pleased to offer our beautiful space and shopping entertainment for your upcoming gathering. Let us know what you have in mind and we'll help you create a unique experience your guests won't forget. Additional offerings include tasty treats, a Posh Boutique stylist, and a 15% discount for all guests! Here are just a few ideas:

## Charity Fundraiser

Imagine it – what if your next clothing purchase could directly benefit your favorite charity? Posh can make it happen. Invite 10 or more of your friends to join you for a fun evening of shopping, and we'll donate 15% of total sales to your favorite charity! It's a win-win for everyone!

## Girls' Night ☆ Out

C'mon, admit it. Your latest evening out with the girls was better than your latest date, wasn't it? We thought so! And Posh can add even more fun to your favorite night of the week. Join us for a fabulous evening of shopping (and even a little chocolate), and we'll provide a 15% discount for all guests.

## Letting Go of the Mom Jeans

You know you've got 'em. They're a little too high, a tad too tight, and way too tapered. It's time to say good-bye to your "Mom Jeans." Your booty will thank you – because it's about to look a whole lot better. Gather your friends and join us at Posh. Our knowledgeable stylists will help you each find your perfect pair – all brands will be offered at 15% off!

## An Honorary Affair

Throw a shopping party at Posh in honor of a friend. Celebrate a birthday, a job promotion, an engagement, or even an "A" on the test. Give your friend big recognition for even the smallest of reasons – and we'll in turn provide big fun and a big 15% discount!
